As a photographer for both Clarkson and the PHF, I learned how to bring to life conceptualized ideas in a rapid paced environment and design a workflow that allowed for a quick turnaround. I also learned how to visualize and maintain a brand while working with the other team members. I created images, graphics, and videos for the National Championship teams in addition to being a teaching assistant for a digital photography class as well as taking portraits, headshots, and team photos for both Clarkson and the PHF.

SKILLS

- Adobe Lightroom, Photoshop, Premiere, Bridge, Photo Mechanic, Canon cameras and lenses, Windows OS, HTML, CSS
